---	---	---	---	---	---	---	---	---	---	----	----	----	----	----	----

All J and K spaces with the exception of J29 are double depth only.

• Lamp Pole Location

Spaces labeled "MARC" have a lamp pole next to or slightly within the space, a space that is irregularly shaped or may flood when raining. These spaces are available upon request, but may not be acceptable to some sellers

SPECIAL NOTE: Due to ongoing parking lot maintenance, it may become necessary to readjust assigned lot spaces.
